From The Desk Of The Principal

Dear Aspirants,

At the very outset, I on behalf of the Salbari College fraternity would like to convey my warmest greetings and best wishes on your footsteps of a new beginning. Having been successfully completed your 10+2 examination; you have become eligible to be graduated. It gives immense pleasure to the college fraternity that you have chosen to get admitted in our college. At this juncture, I would like to share a few things with you straight from the core of my heart.

As a student of undergraduate course, you should always remember that this is the crucial junction of your life. The college life provides you

innumerable opportunities in building your personality and a platform to brighten your career. Salbari College, the only educational institution imparting higher education on the foothills of world famous Manas National Park under Salbari Sub-Division, started its journey way back in 1986 with the aim to provide excellent quality education through the scientific and innovative learning process with a dynamic and creative academic environment to tap and nurture talent for the development of professional skill and all round personality and responsibility of the students and to inculcate good moral values and a sense of nationalism, in keeping with the glorious heritage of the institute in particular and of the area in general so that they can be financially independent, socially conscious, morally upright and emotionally balanced. The institution lays emphasis on strict discipline and moral behavior of the students and they are expected to maintain the decorum of the institution. The College has a state of the art infrastructure and an efficient and experienced teaching faculty with supportive environment to provide a perfect equity of academics, sports and social opportunities.

Last year in 2023, with lots of efforts and dedication from all our governing body members and wellwishers, we are able to successfully start the science stream in our college. The introduction of the science stream reflects our commitment to meeting the evolving needs of our community and catering to a wider spectrum of interests and aspirations. With this new addition, we aim to inspire curiosity, foster innovation, and cultivate a passion for scientific inquiry among our students. Our dedicated faculty members are ready to guide and support you every step of the way as you embark on this exciting academic journey.

The humble venture of our institution is to empower our students to develop their value, awareness and confidence by ensuring their emotional growth along intellectuality. We provide a multicultural and multilingual atmosphere at our college campus which ensure to respect everyone's own opinion. I sincerely expect that if you have entered this institution having its motto: "*Quality Education, Dedication and Knowledge Enhancement*" in your heart, you will certainly be a responsible citizen with moral values. Let's give your best and make this institution a temple of learning through your dedication and devotion.

With best wishes,

Dr. Jagat Ch. Basumatary
Principal
Salbari College, Baksa

COLLEGE PROFILE

Salbari College was established on 14th of November in 1983 by the conscious educationists and guardians of the locality with mere public donations amidst the poor socio-economic conditions prevailing at that time. They took the bold step of starting the first ever higher educational institution in the area for the benefit of the aspiring students of poor families in the greater Salbari area. They named it 'Salbari College' with a view to establishing the name of Salbari in the educational map of Assam through its contribution to the educational field. The college opened undergraduate courses under Gauhati University till 2022 and is currently under Bodoland University.

Previously, the College was single stream (only Arts) educational institution. Besides the Arts stream, the Science stream was also added to the college in 2023 as an additional stream by the government of Assam. B.A. and B.Sc. for Four Year Undergraduate Program (FYUGP) under NEP 2020 were introduced in the 2023-24 Academic Session for the first time.

The beautiful campus of Salbari College is spread over 38 bighas and 17 lessas of land. The college has earned a remarkable reputation for teaching humanities for many years. It was registered under sections 2(f) and 12(B) of the UGC Act 1956, vide notification No. 8-371/2006 (CP), and obtained government concurrence and certified by AISHE (All India Survey of Higher Education).

The college has gloriously completed 4 decades since its inception and has developed computing facilities, Internet connectivity, an uninterrupted power supply system, a relatively small but digital library housing a gigantic collection of books and journals, etc.

The College was brought under the purview of provincialization in 2013 under the "Assam Venture Education Institute Provincialization (Provincialization of Services) Acts 2011 and 2012, as amended. The college is located at Salbari, opposite to SDO (C) office, which is in the heart of Salbari Sub-Division in the District of Baksa (Eastwhile Barpeta) in the Bodoland Territorial Council of Assam and at the feet of World famous heritage site Manas National Park. It is about 10 km south of the Indo-Bhutan Border and 25 km to the north from the No. 31 National Highway. The college is also well connected by public transport. The nearest railway stations are Sarupeta, Pathsala, and Barpeta Road, which are 18 km, 20 km, and 30 km away from the college, respectively.

AIMS AND OBJECTIVES

The primary objective of the College is to provide excellent quality education through the scientific and innovative learning process.

The College aims to provide dynamic and creative academic environment to tap and nurture talent for the development of professional skill and all round personality and responsibility of the students.

It also aims to inculcate good moral values and a sense of nationalism, in keeping with the glorious heritage of the Institute in particular and of the area in general.

THE EMBLEM

The College has its own emblem which has its meaning and significance. The emblem is carved out of globe with an inner circle in it. The main abacus is coded within the circle. In the middle of the inner circle an earthen lamp is present signifying that education enlightens human being. The lightning is surrounded by the two full grown stalk of rice signifying the area, where the College is situated, comprises of peasant community.

THE MOTTO

“Quality Education, Dedication and Knowledge Enhancement” is the motto of the College. Since its inception it has been imparting education to the student community keeping in view of the motto and hence each and every one associated with the College is pursuing knowledge with their heart and soul.

VISION

Salbari College was established with a view to uplift the educational scenario of the area by imparting higher education to the budding talents. The College was established with certain visions which are mentioned herewith.

1. To provide quality education to the students of the locality.
2. To empower the students with knowledge through value based education.
3. To upgrade the backward and rural students of adjacent villages.
4. To enhance the educational, social, economical, cultural and political aspects of the area in particular and the state and the country in general.
5. To enable students to face new challenges thereby assist them in building their moral character to be the morally good human beings of the society.

Definition of Important Terms in FYUGP under Bodoland University

- **National Education Policy 2020 (NEP 2020):** The NEP 2020 embarked on liberal arts multidisciplinary education that aims to produce graduates with multiple knowledge and skills possessing integrated personalities. The policy envisions the undergraduate degree to be of either 3- or 4-year duration, with multiple entry and exit options within this period and with appropriate certifications.
- **Academic Year:** Two consecutive (one odd + one even) semesters constitute one academic year.
- **Semester:** Each semester will consist of 15 weeks of academic work equivalent to 90 actual teaching days. An academic year consists of two semesters. The odd semesters are to be scheduled from July to December, and even semesters from January to June.
- **Programme:** A programme, hereinafter, shall mean an academic programme leading to the award of a degree, diploma or certificate. It comprises a fixed set of Major (compulsory), Elective, Skill Enhancement, Value Added Courses and Internships wherever applicable with a minimum Credit requirement.
- **Course:** A course, usually referred to as 'paper', is a component of a Programme, comprising one or more combinations of lectures, tutorials, laboratory work, fieldwork, outreach activities, project work, vocational training, viva, seminars, term papers, assignments, presentations, self- study etc. or a combination of some of these.
- **Major Discipline:** Major Discipline is the discipline or subject of main focus and a degree will be awarded in that discipline. Students should secure the prescribed number of credits (about 50% of total credits) through courses in the discipline.
- **Minor Discipline:** Minor Discipline (may or may not be related to Major Discipline opted by the student) helps a student to gain a broader understanding beyond the major discipline. For example, if a student pursuing an Economics major obtains a minimum of 12 credits from a bunch of courses in Statistics then the student will be awarded B.A. Degree in Economics with a Minor in Statistics.
- **Multiple Entry and Exit Points:** These are stages where the students may have options for entry and exit in the academic programmes in Higher Education Institutions to be facilitated through the facility created by the Academic Bank of Credit scheme in the manner as provided in the UGC "Guidelines for Multiple Entry and Exit in Academic Programmes offered in Higher Education Institutions".
- **Learning Outcome-based Curriculum Framework (LOCF):** It is a framework initiated by the UGC in 2018 for updating the CBCS curriculum to reflect the expected learning outcomes and academic standards that are expected to be attained by graduates of a programme of study and holders of a qualification.
- **Choice-Based Credit System (CBCS):** It is the system formulated by the UGC in 2015. The CBCS provides choices for students to select from the prescribed courses (Major, elective or minor or soft skill courses). Under the CBCS, the requirement for awarding a degree or diploma or certificate is prescribed in terms of a minimum number of credits to be completed by the students.
- **Academic Bank of Credit (ABC):** It is the platform developed by the National e-Governance Division (NeGD) of the Ministry of Electronics and Information Technology, Government of India, having the facility/ functionality of opening Academic Accounts by students and onboarding of eligible Higher Education Institutions (HE is), by "The University Grants Commission (Establishment and Operation of Academic Bank of Credits in Higher Education) Regulations, 2021". ABC will digitally store the academic credits earned by students from HE registered with ABC for awarding degrees/diplomas/certificates taking into account credits earned by students. ABC will ensure the opening, closure and validation of Academic Bank Accounts, credit verification, credit accumulation, and credit transfer, redemption for students.
- **Grade Point:** It is a numerical weight allotted to each letter grade on a 10-point scale.
- **Letter Grade:** It is an index of the performance of students in a course. Grades are denoted by letters O, A+, A, B+, B, C, P, F and Ab.
- **Credit Point:** It is the product of grade point and number of credits for a course.
- **Semester Grade Point Average (SGPA):** It is a measure of the performance of work done in a semester. It is the ratio of total credit points secured by a student in various courses registered in a semester to the total course credits taken during that semester. It shall be expressed up to two decimal places.

- **Cumulative Grade Point Average (CGPA):** It is a measure of the overall cumulative performance of a student over all semesters. The CGPA is the ratio of total credit points secured by a student in various courses in all semesters to the sum of the total credits of all courses in all semesters. It is expressed up to two decimal places.
- **Transcript or Grade Card or Certificate:** Based on the grades earned, a grade certificate shall be issued to all the registered students after every semester. The grade certificate will display the course details (code, title, number of credits, grade secured) along with the SGPA of that semester and CGPA earned till that semester.
- **Major (MAJ) and Minor (MIN) Course:** All discipline-specific major and minor courses will carry 4 credits.
- **Ability Enhancement Course/ Skill Enhancement Courses:** The Ability Enhancement Course may be of two kinds: Ability Enhancement Courses (AEC) and Skill Enhancement Courses (SEC). AEC courses are the courses based upon the content that leads to Knowledge enhancement: (i) Environmental Science and (ii) English / MIL Communication. These are mandatory for all disciplines. SEC courses are value-based and/or skill-based and are aimed at providing hands-on training, competencies, skills, etc. These may be chosen from a pool of courses designed to provide value-based and/or skill-based knowledge. Each of the AEC and SEC courses shall carry 2 and 3 Credits respectively.
- **Value Addition Courses (VAC):** These are courses that will help develop all capacities of human beings - intellectual, aesthetic, social, physical, emotional, and moral in an integrated manner. It includes subjects like Yoga, Sports, Health Care, NCC, NSS, Ethics, Culture, etc. VAC courses may be chosen from a pool of courses. Each VAC course shall carry 04 Credits. The students may opt for any of the VAC courses from the pool of courses approved by the University.
- **Interdisciplinary Course (IDC):** It is to be opted from outside the major and minor courses. Each IDC shall carry 3 credits. The students may opt for any of the IDC courses from the pool of courses approved by the University with the condition that the course was not studied at the 10+2 level.
- **Dissertation/Project:** It is designed to acquire special/ advanced knowledge which is termed a dissertation/ project. This is considered a special course involving the application of knowledge in solving/ analyzing/ exploring a real-life situation / difficult problem. Dissertation / Project Work is optional and it may be offered in lieu of a discipline-specific elective paper in the 8th Semester.
- **Internship:** A student should undergo an internship course of 02 credits during 4th semester of his/her UG programme. However, if a student exits after 1st or 2nd year, he/she needs to undergo an additional internship programme having a 4 credit score along with the existing 2 credit score in Semester - IV. Institutions will sign MOU with nearby institutions/offices/Research Centre/Industries/NGOs/ Skill Training Centres etc. for the internship courses.
- There may be parallel five-year integrated Master's degree Programmes with exit options after each year with the Undergraduate Degree and Undergraduate Degree with Honours/ Research in a discipline, respectively.
- The curriculum combines conceptual knowledge with practical engagement and understanding that has relevant real-world application through practical laboratory work, fieldwork, internships, workshops and research projects.

6. **UG Degree with Honours:** It will be awarded on securing 160 credits by taking 12 credit advanced level (400 levels) courses instead of a Research Project/ Dissertation.
7. **UG Degree with Honours and Research:** A 4-Year Bachelor's degree (Honours with Research) will be awarded if the student completes a rigorous research project of 12 credits in the major area (s) of study under the guidance of a faculty member. The students are expected to complete the Research Project in the eighth semester. The research outcomes of their project work may be published in peer-reviewed journals so may be presented in conferences/seminars or may be patented.

Major and Minor disciplines

Major discipline is the discipline or subject of main focus and the degree will be awarded in that discipline. Students should secure the prescribed number of credits (about 50% of total credits) through core courses in the major discipline. Minor discipline helps a student to gain a broader understanding beyond the major discipline. For example, if a student pursuing an Economics major obtains a minimum of 12 credits from a bunch of courses in Statistics, then the student will be awarded a B.A. degree in Economics with a Minor in Statistics. Students willing to pursue UG degrees with two Minors shall have to choose two disciplines as Minor (MIN-A and MIN-B) in the first semester and this shall be continued till 6th semester. Minor A (Min A) shall be the focused area of study and Minor B shall be the additional area of study for the student. The student shall be allowed to provisionally opt to pursue MIN-A (which is the focused area of study of the student) as a Major discipline in the 7th Semester subject to the condition that he/she secures 75 percent marks or more till the 6th Semester with no backlog or betterment or else the admission/seat will be forfeited by the student. Students willing to pursue 4 years UG Degree with a Major and Minor shall choose one discipline as a Major (MAJ) and one additional discipline as a Minor (MIN) in the first semester.

Credit Distribution

1. An individual paper of all discipline-specific courses (major or minor) shall be of 4 credits.
2. Other Courses: Courses under the Multi-disciplinary and Skill Enhancement categories shall be of 3 credits each paper.
3. Ability Enhancement Course (language) shall be of 02 credits for each paper.
4. Courses under Value Added, Community outreach activities, etc., shall be of 04 Credits. The 04 credits value-added courses may be split into two parts. For example, 02 credits for Env. Sc/ Env Ed/Digital and Technology solution and 02 credits for Yoga/Sports/NCC/NSS/Community engagement etc. which equals 4 credits in the category in a semester.
5. Fourth semester Internship/ Apprenticeship shall be of 02 credits.
6. Summer Internship/ Apprenticeship shall be of 04 credits of minimum 8 weeks duration and shall be mandatory for students who decide to exit with UG Certificate/ UG Diploma.
7. Final year Research project/Dissertation to be of 12 credits.
8. Students shall choose one MOOC course from the list of courses offered for SEC, VAC or IDC in a single semester.

Categories of courses and the minimum credit requirements for 3-year UG and 4-year UG (Honours) or UG (Honours and Research)

Type of Course	Description	Minimum credit requirement	
		3 Years	4 Years
Major	Discipline- specific course to be specified by the concerned department	60	80
Minor	Supporting Discipline specific courses to be specified by Concerned department	24	32
Inter-disciplinary Courses (IDC)	To be specified by the Concerned department	09	09
Ability Enhancement (AEC) (Language)	Modern Indian Language (MIL) or Regional Language & English Language focused on language and communication skills.	08	08
*Skill Enhancement (SEC)	Hands-on training, soft skills etc.	09	09
** Value-Added Courses (VAC) common for UG programmes	Understanding India/ Env. Sc./ Env. Ed/ Digital and Tech solutions/ Health and Wellness, Yoga Education, Sports and fitness, Community Engagement, etc.	08	08

	Total	120	160***

*Skill-based courses may be worked out in line with the UGC guidelines under National Skill Qualification Framework (NSQF)/ National Credit Framework (NCrF)

**Affiliated Colleges may be allowed to design 2-credit Skill/Add-On/Certificate/Value Added Courses maintaining the levels and difficulty, as per National Credit Framework (accommodating NHEQF and NSQF), from the basket of titles approved by the University. And the titles should be mapped in the Academic Bank of Credit registration. Courses on traditional knowledge systems and local culture may be also formulated under this category.

***Honours students without research will opt for three courses for 12 credits instead of a research project/dissertation. Students who wish to take Honours and research must opt Research Methodology course (REM) in the VII-Semester.

Note:

Interdisciplinary UG programme: Core credits are equally distributed (e.g., among 03 subjects). Multidisciplinary UG programmes may be among life sciences, physical science and other disciplines.

Computation of SGPA and CGPA

The UGC recommended procedure to compute the Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA) will be followed as given below:

SGPA:

The ratio of the sum of the product of the number of credits with the grade points scored by a student in all the courses taken by a student and the sum of the number of credits of all the courses undergone by a student, i.e., $SGPA (S_i) = \frac{\sum(C_i \times G_i)}{\sum C_i}$

Where C_i is the number of credits of the i^{th} course and G_i is the grade point scored by the student in the i^{th} course.

CGPA:

The Cumulative Grade Point Average (CGPA) is also calculated in the same manner taking into account all the courses undergone by a student over all the semesters of a programme, i.e., $CGPA = \frac{\sum(C_i \times S_i)}{\sum C_i}$

Where S_i is the SGPA of the i^{th} semester and C_i is the total number of credits in that semester.
