

## Report on Departmental Seminar by Maths Department of Salbari College

**Date:** 28<sup>th</sup> September 2023

**Venue:** Class room, Salbari College

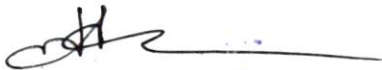

### **Brief Note:**

The Mathematics Department of Salbari College successfully organized a departmental seminar on the 28<sup>th</sup> of September, 2023. This engaging event provided an excellent platform for students to showcase their understanding and passion for mathematics through presentations on a variety of interesting and random topics.

Each student delivered a presentation on a topic of their choice, demonstrating not only their knowledge but also their ability to communicate complex mathematical concepts effectively. The seminar aimed to foster a deeper interest in mathematics and encourage students to explore beyond the standard curriculum.

The presentations were evaluated by the esteemed faculty members of the Mathematics Department. The faculty commended the students for their thorough research, creativity, and presentation skills. This seminar was an opportunity for students to engage with their peers, receive constructive feedback, and enhance their academic and presentation abilities.

Overall, the seminar was a resounding success, reflecting the department's commitment to nurturing a vibrant academic environment and promoting a culture of intellectual curiosity among students.
