

Report on Departmental Seminar
Topic: Social Media: It's Positive and Negative Impact on Society
Date: 30th December 2022
Time: 12:00 Noon
Venue: Auditorium

Brief Note:

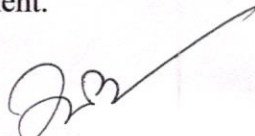

The Department of Education organized a thought-provoking seminar on the topic "Social Media: Its Positive and Negative Impact on Society" on 30th December 2022 at 12:00 noon. The seminar was led by Mr. Parimal Ch. Das, Assistant Professor and Head of Department. Dr. Jagat Ch. Basumatary, Principal of the college, was invited as the resource person to share his expertise on the multifaceted impact of social media.

Dr. Basumatary delivered a comprehensive and engaging presentation, meticulously explaining both the positive and negative aspects of social media. He elaborated on the negative aspects, citing contemporary issues in society, such as cyber bullying, online harassment, and the spread of misinformation. He emphasized that the negative aspects of social media can have a profound impact on individuals, particularly children, who may be exposed to excessive or regular use of social media.

Outcome of the Seminar:

The seminar provided a valuable opportunity for faculty members and students to understand the far-reaching impact of social media. After attending the seminar, they became aware of the adverse effects of social media and recognized the need to address this issue. They committed to organizing public awareness campaigns to educate people, especially children, about the responsible use of social media and its potential consequences. They aimed to receive positive feedback from these campaigns and create a safer online environment.
