

**Report on Departmental Seminar**  
**Topic: Festivals and Environmental Pollution**  
**Date: 16<sup>th</sup> April 2021**  
**Time: 12:00 Noon**  
**Venue: Auditorium**

**Brief Note:**

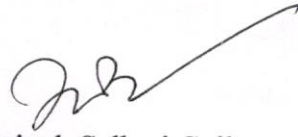

The Department of Education organized a thought-provoking seminar on the topic "Festivals and Environmental Pollution" on 16th April 2021 at 12:00 noon. The seminar was led by Mr. Parimal Ch. Das, Assistant Professor and Head of Department. Dr. Dulen Basumatary, Vice Principal and Coordinator of IQAC of the college, was invited as the resource person to share his expertise on the environmental impact of festivals.

Dr. Basumatary delivered a comprehensive and engaging presentation, explaining the adverse effects of festivals on the environment in a clear and concise manner. He highlighted how festivals, while promoting social harmony and new beginnings, often result in environmental degradation. He emphasized the need for individuals to acknowledge their moral responsibilities towards the environment and take steps to mitigate the negative impacts of festivals.

**Outcome of the Seminar:**

The seminar provided a valuable opportunity for faculty members and students to understand the environmental consequences of festivals. After participating in the seminar, they were aware of the importance of environmental conservation and the need to adopt sustainable practices during festivals. As a result, they committed to organizing public awareness campaigns to promote a safe and clean environment, ensuring a more responsible and eco-friendly celebration of festivals.
