

## SC/ST Cell

### Welcome to SC/ST Cell

The SC/ ST Cell plays a prominent role in the promotion of welfare of students and staff from Scheduled Caste (SC) and Scheduled Tribe (ST) communities. It serve as a bridge between the administration and SC/ST students as well as staff, the cell addresses grievances and facilitates their participation in academic and extracurricular activities.

The SC/ST cell was established on **10.02.2025** as per the UGC guidelines with the goal of empowering SC/ST students. The institution actively supports these students by providing guidance to get financial assistance from government agencies and other sources. Additionally, students are encouraged to participate in career orientation and skill enhancement programs, equipping them with the necessary skills for making informed career choices.

### Objectives:

1. To provide a platform for addressing complaints and issues related to discrimination and difficulties among SC/ST individuals
2. To promote the interest of SC/ST students
3. To help students from these communities overcome challenges
4. To ensure that the reservation policy for SC/ST students properly implemented
5. To address the grievances of SC/ST students and staff
6. To help SC/ST students participate in academic and extra-curricular activities
7. To provide guidance to SC/ST students on career option
